## SCHEDULE

Check the Summer Calendar for start and end times for each camp day, instructional day, 7 on 7 and team camp day.

## EQUIPMENT

We will wear helmets, shoulder pads and shorts for camp. We will check out equipment the week of May 16<sup>th</sup>. Make sure you have football cleats (black for games).

## COST

The cost of camp is \$30.00 and includes 40+ hours of instruction and an Indian football camp T-shirt. Do not let the cost of camp keep you from attending. The camp fee can be paid anytime, even during the summer. Make checks payable to Jackson High School Football.

## PHILOSOPHY

We are allowed 20 days to use for football instruction. We will use our camps/7 on 7/and team camps to prepare our players for the upcoming season. We will use this camp to implement our passing and running game on offense, as well as our run and pass defense. By using our days the way we do, the players have the entire summer to work to improve in speed, strength and football skills.

## CONFIDENCE

Jackson football players will demonstrate confidence by remaining positive during adversity. We will intentionally embrace discomfort as an opportunity to grow while encouraging and appreciating team members in a positive way. The Jackson Indian Way

## COMPETITIVE EXCELLENCE

The Jackson Indians will place a constant focus on competing to the best of our ability. We will search for and employ any competitive edge we can use to be our best. We embrace the grind of mental and physical preparation.
